ISFA Events require you to Login to our website. Logging in saves you time and money! By logging in, your information will be automatically populated into the form saving you time. Also, when you login, you are recognized as a member and receive special pricing, when applicable. *Feel free to save your credentials into your browser to save you even more time!*

Please review these helpful steps when Logging In or Registering for an Event.

When you register for any event at ISFA, once you click on the link to register, if you are not already logged in, you will be taken to a login screen.

If you know your Login credentials - Enter your username *(typically the email address we have on file for you)* and password and click Login. Skip to the Registration Section of these Instructions below for additional help registering for an event.
